Notes					
Pre-Retirement Lifestyle Needs	If you are not yet retired, please enter the estimated after-tax income you require each month to maintain your lifestyle. For assistance calculating this amount, see the worksheet included at the end of this document.				
•					
110100					
6 Retirement Lifestyle Needs	Please enter your expected retirement age and after-tax retirement lifestyle goals in today's dollars. A second stage of retirement is also available if you expect your lifestyle goal to increase or decrease at some point in the future. For assistance calculating this amount, see the worksheet included at the end of this document.				
Client	Spouse/Partner				
Retirement Lifestyle 1 Age	Retirement Lifestyle 1 Age				
Monthly Income \$					
Retirement Lifestyle 2 Age					
Monthly Income \$					
Notes					

If you are planning any major lump-sum expenses in the future, outline the planned age and estimated cost. You may want to include things such as purchasing a property, travel plans, or assisting a dependent with a major purchase. Describe any planned expenses including estimated costs and dates.

Goals and Objectives

Please summarize the other goals and objectives that you have for your family. You may want to include things that you would like to accomplish before you retire, during your retirement and on the distribution of your estate.

Pension Income

Many employers offer pension plans to provide a monthly income in retirement based on the employee's years of service and age. Please enter the monthly pension income that you expect to earn in retirement from your current and/or past Canadian employers, and any survivor benefits provided.

Notes __

Corporate Investments and Securities	If you are a major shareholder of a private corporation, you will want to include the value of any assets owned by the corporation in your financial planning. Please enter the total value of all corporate investment accounts as well as any future deposits.
	Cost Base \$ Savings Frequency: Annual Monthly
Notes	
24 Corporate Real Estate	Please enter the value of all corporate real estate holdings and any associated mortgage balances.
Mortgage \$	Cost Base \$ Interest Rate % Monthly Payment \$
25 Goodwill and Operations	In addition to investments and real estate, your business may also have considerable value in the 'goodwill' of the day to day operations. The total value of your business includes all assets, investments, real estate and goodwill. Please enter the value of business operations and goodwill.
26 Share Value	The Fair Market Value (FMV) of the shares you own is calculated as 'Total Corporate Assets' less 'Total Corporate Liabilities'. The FMV of your shares less the Cost Base of your shares represent the capital gains that will be taxable on death. Please enter the Ownership percentage and Cost Base of your shares.
